PRIVATE EVENTS RENTAL INFO

HOURS/AVAILABILITY:

All events take place between 8:00 AM and 9:00 PM. We primarily book private events on Thursdays and offer limited availability on Wednesdays, as we reserve Tuesday evenings, most Wednesdays, and full weekends for hosting rehearsals and weddings and take Sundays and Mondays off to rest and recharge. Please inquire for additional openings. Private parties require a minimum 4-hour reservation to allow time for setup (including vendor arrival), hosting, and breakdown. A half-day is 4 hours, and a full day is 8 hours. Additional hourly time may be added. Due to the property being a gated, privately owned family estate, site visits and tours must be scheduled via phone or email at thelittlechapelnc@gmail.com to coordinate a convenient time for both our family and guests.

EVENT PLANNING:

We offer in-house contractor services for event planning, hosting, and styling (this is an add-on service, and consultation is required).

ALCOHOL & FOOD SERVICE:

A licensed and insured bartender, caterer, or bar service is required to serve alcohol; self-service bars are not permitted. If the bartender leaves the property, guests will not be allowed to continue consuming alcohol or self-serve. A special occasions permit may be required for events serving liquor (consult with the caterer or bartender).

We do not have a commercial kitchen on-site and recommend using mobile kitchens, food trucks, buffet-style catering, or pop-up kitchens.

CAPACITY:

We limit weddings and events to a maximum of 125 guests. Our chapel capacity is up to 72 for ceremony or conference-style seating, or up to 60 with round tables. The Solarium accommodates up to 125 seated or standing guests. We provide rectangular tables and chairs (no linens) upon request. [Shop](#) our in-house décor.

CLEANUP:

Trash must be hauled off-site or disposed of in the dumpster at the conclusion of the event, either by the party or the catering/bar service. Please ensure lights are turned off and doors are closed prior to leaving; we will handle the cleaning and breakdown of provided equipment (e.g., bar, chairs, tables).
